EDUCATION

St. Mary's Group of Institutions, Guntur for Women — B.Tech, Computer Science and Engineering | CGPA: 8.65/10.0
September 2023 – May 2027

EXPERIENCE

Software Testing Intern — Kr4all | June 2026 – Mid-August 2026

- Completed a 2.5-month internship focused on software testing and application workflows.
- Performed manual checks of application features and user workflows, identifying issues and verifying expected behaviour.
- Supported test execution and basic data validation using phpMyAdmin.

Frontend Developer Intern — ERP Tech Solutions Pvt. Ltd. | Hyderabad, India | June 2025 – August 2025

- Developed responsive web page templates and interface components using HTML, CSS, JavaScript and Bootstrap.
- Worked on website layouts, visual presentation and frontend improvements for client-facing web projects.
- Collaborated with team members to complete assigned development tasks and deliver user-friendly interfaces.

PROJECTS

CareerPilot AI | Live Streamlit App *(Developed with teammate Dharmini Yalamanchili)*

Collaboratively developed an AI-powered career assistance platform for job seekers. Includes resume matching against job descriptions, job opportunity discovery and an application tracker to help users organize and manage their job search.

Smart Travel | Live Project

Developed a responsive travel website that helps users explore destinations and plan trips through an intuitive interface, interactive sections, smooth navigation and engaging visuals.

Fashion Advisor | Live Project

Built an interactive fashion recommendation website that helps users explore styles and discover outfit ideas through a simple, engaging interface.

CERTIFICATIONS

- Core Python — Completed foundational training in Python programming, including core syntax, data types, control flow, functions and basic problem-solving.
- 24-Hour Web Development Hackathon — Third Prize.
- Hack with India × Devnovate Hackathon — Certificate of Participation.
- Blackbucks — 120-hour Artificial Intelligence and Machine Learning internship.
- NPTEL — 12-week Human Computer Interaction course.
- EY & Microsoft — AI Skills Passport completion.
- Wadhwani Foundation — Ignite India 5.0 training (42 hours).
- ERP Tech Solutions Pvt. Ltd. — 2-month Frontend Developer Internship.
